

# Grand Slam Discipleship

FBCO is a church with a mission and vision. To fulfill our purposes as a church we've organized our ministries around them. And to familiarize our entire membership with those purposes, as well as provide opportunities for each person to "plug in" to all of these core areas of ministry at FBCO, we offer Grand Slam Discipleship.

Grand Slam Discipleship was the device Rick Warren used to explain to his church the vision and the purposes of the Body of Christ. Each member is invited to attend these free classes and will receive the tools and knowledge to know, grow, serve, share and worship Jesus Christ in their lives every day.

**Membership - Class 101:** This session will help you learn the foundations of the Christian faith, some basic information about FBCO and our denomination, along with a little history of our church.

**Maturity - Class 201:** We will explore some helpful tools and habits for Bible study, prayer and fellowship. The Membership Class 101 is a prerequisite for this class.

**Ministry - Class 301:** You'll learn about your personal shape for ministry-the talents, gifts and abilities God gave you, and how you can use them in a practical way. You'll also get an overview of ministry opportunities available at our church, and see ways you can "plug in" to make a difference.

**Mission - Class 401:** You'll find out how FBCO members are involved in sharing their faith and helping others around the corner and across the globe. You'll learn about our Community Outreach Program and see what part you can play in this exciting mission opportunities for our own Jerusalem.

**Magnification - Class 501:** This session will present a basic overview of why and how we worship. God has called us to worship Him at whatever level of maturity we have reached. Worship is not for only a select group of mature saints; worship is for everyone! Together we can learn how to magnify and exalt Jesus.
